SERVICE + PRICING GUIDE

PINK PENGUIN STUDIOS

ABOUT

WELCOME

I'm Glenn and we are Pink Penguin Studios, your new wedding photographer, filmmaker, & best friend. If you're here, you're probably just like me. A lover of the non-traditional, a rule-breaker, a hopeless romantic, and someone who values what happens in the in-between.

My approach to capturing your wedding is a focus on the in-between, where genuine human moments come alive. Where you forget about the details, the camera, the "plan", and just focus on the one human you love above all else. That is how we create magic.

With that said, I'm so excited to be with you on your new, exciting journey.

PROMISES

01. LOVE

It's the core of your story, and it's the core of the experience I provide for you. Love for your wedding, love for your photos, and love for the in-between.

02. EXCELLENCE

Your wedding is a once in a lifetime event, so every aspect of your experience with me will be done in excellence. My focus is to create perfect imperfection, just as you and your partner have in your journey together.

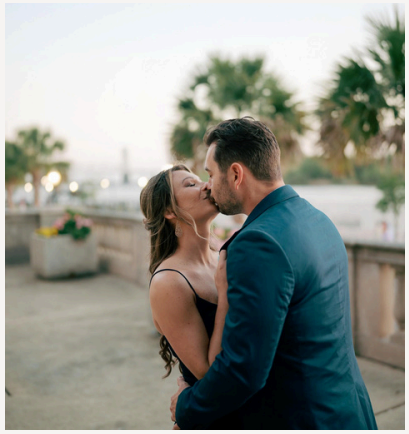

03. GUIDANCE

At every turn I will guide you to ensure you have not only the best images possible, but the best wedding you could have ever dreamed. My promise to you is to make you forget there is a camera in the first place.

ou Deserve The Unforgettable.

LOVE LETTER

"Glenn and Pink Penguin Studios was beyond wonderful to work with! He has been more helpful than I could ever imagine! He has went above and beyond in so many ways!

He never once made the photos seem like a tasks. He made things fun & easy. He truly made us feel like we were friends, and he wasn't there to just “do a job”. Would recommend to anyone!!”

I absolutely cannot say enough positive things! Glenn is super dependable, easy to contact, has endless creative ideas to capture, & most definitely produces great quality pictures. We had our pictures back super fast after the wedding & I was in love with them! Everything was 100% perfect from start to finish. He will go above & beyond & will not disappoint!

We had such a wonderful time with Glenn and his team. We love the photos! He captured both the stunning light and our love. The entire experience was easy going. Glenn was helpful in directing us when he saw a great shot, but also encouraged us to just enjoy each other and play around. At no point did we feel rushed or awkward. We trampled around Downtown and had an amazing time.
